

Oh, Yum!

Just like Mom's, the kitchen is the center of your home at Quail Summit. We start the day dishing up delights and never stop until we close. Home cooked fare, fresh baked deserts, premier coffees, and fresh seasonal ingredients are just some of the features you'll enjoy in the dining room. Our enthusiastic staff takes pride in its signature entrees...just taste one and bring your appetite! We work hard to honor your preferences and we can accommodate most diets.

Have an outside appointment? Our staff will brown bag a lunch for you to take with you. Enjoy our themed, weekly buffet nights and our great selection of snacks. Sometimes elegant, sometimes family style... you'll enjoy it so much you'll want to invite a guest!
